

ANNOUNCEMENT

Announcement Number: 19-04
Date: February 8, 2019
Subject: USDA Product Enhancements

The CenterState Bank Financial Secondary Market Policy has been updated to include enhancements to the USDA loan program. USDA loans are now eligible for Overnight Rate Protection and the Lock and Shop program.

Overnight Rate Protection is available from 5:30pm to 7:30am EST the following business day for purchase transactions of Conventional, FHA, VA and USDA fixed rate loans.

The Lock and Shop program allows a borrower to secure an interest rate on a fixed rate Conventional, FHA, VA or USDA loan without a property address.

Full details of the Overnight Rate Protection and Lock and Shop programs can be found in the [Center State Bank Financial Secondary Market Policy](#).

Please contact your Account Executive with any questions.
