

ANNOUNCEMENT

Announcement Number: 20-10
Date: March 30th, 2020
Subject: Tax Transcripts

CenterState Bank is aware of the IRS office closures which have significantly impacted the processing of 4506T requests. As a result, CenterState Bank will temporarily allow for tax transcripts to be provided from the IRS website.

Borrowers can access previously filed tax returns at <https://www.irs.gov/individuals/get-transcript>. Please note that borrowers will be asked to confirm information that the IRS has on file. If answered incorrectly, borrowers may be locked out and have to receive their transcripts by mail.

Please contact your Account Executive with any questions.
