

EXCEPTION REQUEST FORM: BORROWER-PAID COMPENSATION

Capitalized terms have the same meanings ascribed to them in the Broker Addendum and Exhibit E: Broker Compensation.

The Addendum requires that Borrower-Paid Compensation paid by the borrower to Broker must be equal to the Compensation set forth in the Addendum. If there are unforeseen increases in settlement costs over an estimated settlement cost disclosed to the borrower pursuant to section 5(c) of RESPA (or omitted from that disclosure), SouthState may grant an exception and permit Broker to receive a Borrower-Paid Compensation reduced below the Borrower-Paid Compensation as set forth in the Addendum. All exceptions require SouthState’s written approval.
